

# DC CART with led kit **NATURAL INDOOR**

The use of LED lamps is an innovation that offers numerous advantages over conventional NEON lamps. In particular the possibility to adjust the amount of light and the light spectrum (light colour) specific to the needs of the plant. The **NATURAL INDOOR LED** kit is the ideal light for **stimulating plant growth**.

## cart SLIM series

- 4 shelves
- 2 led lights per shelf (8 tot)
- Distance between shelves 40 cm
- (LxWxH) 1350x565x1900 mm

<b>LED</b>	<b>SLIM</b>
